

Lutheran Statements of Belief

Lutherans believe in the Triune God. God created and loves all the creation— the earth and the seas and all of the world's inhabitants. We believe that God's Son, Jesus Christ, transforms lives through his death on the cross and his new life, and we trust that God's Spirit is active in the world.

We are part of God's unfolding plan. When we gather for worship, we connect with believers everywhere. When we study the Bible or hear God's word in worship, we are drawn more deeply into God's own saving story.

The convictions shared by Christians from many different traditions are expressed in statements of belief called creeds.

The ecumenical creeds that Lutherans affirm and use in worship confess the faith of the church through the ages and around the world.

The Confession of Faith of the Evangelical Lutheran Church in America is part of our founding constitution. The ELCA accepts the following creeds as true declarations of the faith of this church:

- The Apostle's Creed
- The Nicene Creed
- The Athanasian Creed

WORSHIP

Everyone Welcome

Our worship at Christ the King, as in all Lutheran churches, centers on Word and Sacrament. Within the setting of worship, the church family gathers to praise God and equip itself for its mission in the world.

Children are encouraged to attend and participate in worship. A special message for children is included during the worship service. A parent/child sitting room is available for a restless child.

Holy Communion is celebrated every Sunday. Visitors who have been baptized with water in the name of the Holy Trinity are invited to participate. Non-communicating children and adults may come forward for a blessing.

Handicap parking spaces are available by the north entrance. An elevator is also available at the north entrance for those for whom navigating the stairs is difficult.
