

## King's Kampers Schedule For 2010

The King's Kampers is a group that enjoys camping together once a month from May through October (with an additional outing over Labor Day). Members of the group use anything from tents to motor homes. Activities for the weekend include campfires, Saturday potluck dinner, and Sunday pancake breakfast followed by worship. And of course there's always time to visit the beach or just relax with a good book. Below is the schedule for this year's King's Kampers outings. With the exception of the first outing, all locations are Michigan State Parks. We make all the reservations for a location at the same time so that we can get sites together. Reservations after the date are still possible but may not be able to be with the group.
